

## Listing your home with Dream Homes Direct couldn't be easier

Creating your property advert / listing is quick and simple. Our website is designed to make your job of creating your property advert a pain free experience. Everything is clearly labelled and there are detailed instructions every step of the way. It really could not be more straight forward. Here's what you do:

- Create your Account
- Register your Details
- Enter details about your property when prompted (our website is designed to make this easy, so all you need to do is type in the details we ask you for)
- Pay

You then let us do the hard work, which means we will endeavor to get your advert listed on a wide variety of property websites such as fish4homes, channel4.com, email4property and nestoria.co.uk, therefore getting seen by as many house hunters as is humanly possible.
