

## Can I buy a for sale board?

A for sale board is widely regarded as one of the best ways of advertising property for sale. We do highly recommend having one displayed outside your property to draw attention to the fact that it is for sale.

Dream Homes Direct do not sell for sale boards, but we have done a significant amount of research to establish a shortlist of companies that are able to provide professional quality for sale boards at the best price. You can find links to these companies by [clicking here](#)
