

## How do I get my listing published?

Once you are happy with your listing, you should click on the 'Buy Now' button to go to the payment screen.

If you don't see this button on screen, follow these easy steps:

- Log on using the username and password you registered
- Click on 'My Property Panel' (you will find this on the blue bar near the top of the screen, just right of centre)
- Click the 'My Listings' link in the centre of the page
- You will now see the 'Buy Now' button on the right hand side

Clicking the 'Buy Now' button will take you to the payments screen. Here you have 2 options:

- If you have a PayPal account, you can log on to your PayPal account from this screen, in the area indicated by the number 1 symbol in the diagram below
- If you don't have a PayPal account, you can click the 'Continue' link in the area indicated by the number 2 symbol in the screen shot below. This will take you to a further (secure) area where you can enter your payment card details.
